Row 2 (Left to Right) Virginia Burke, Diana Barkley, Kathy Owsley, Linda Zenge, Becky Baker, Judy Hoffman, Mickey Butler, Joan Dade; Trudy Brown, Linda Hodges, Patty Schlager, Bev Hall. Row 3 (Left to Right) George Walter, Miles DeCoster, Ron Holliday, Jay McReynolds, Pat Logsdon, David Dodson, Roger Ellison, Janet Wheeler, Cinda Hodges.

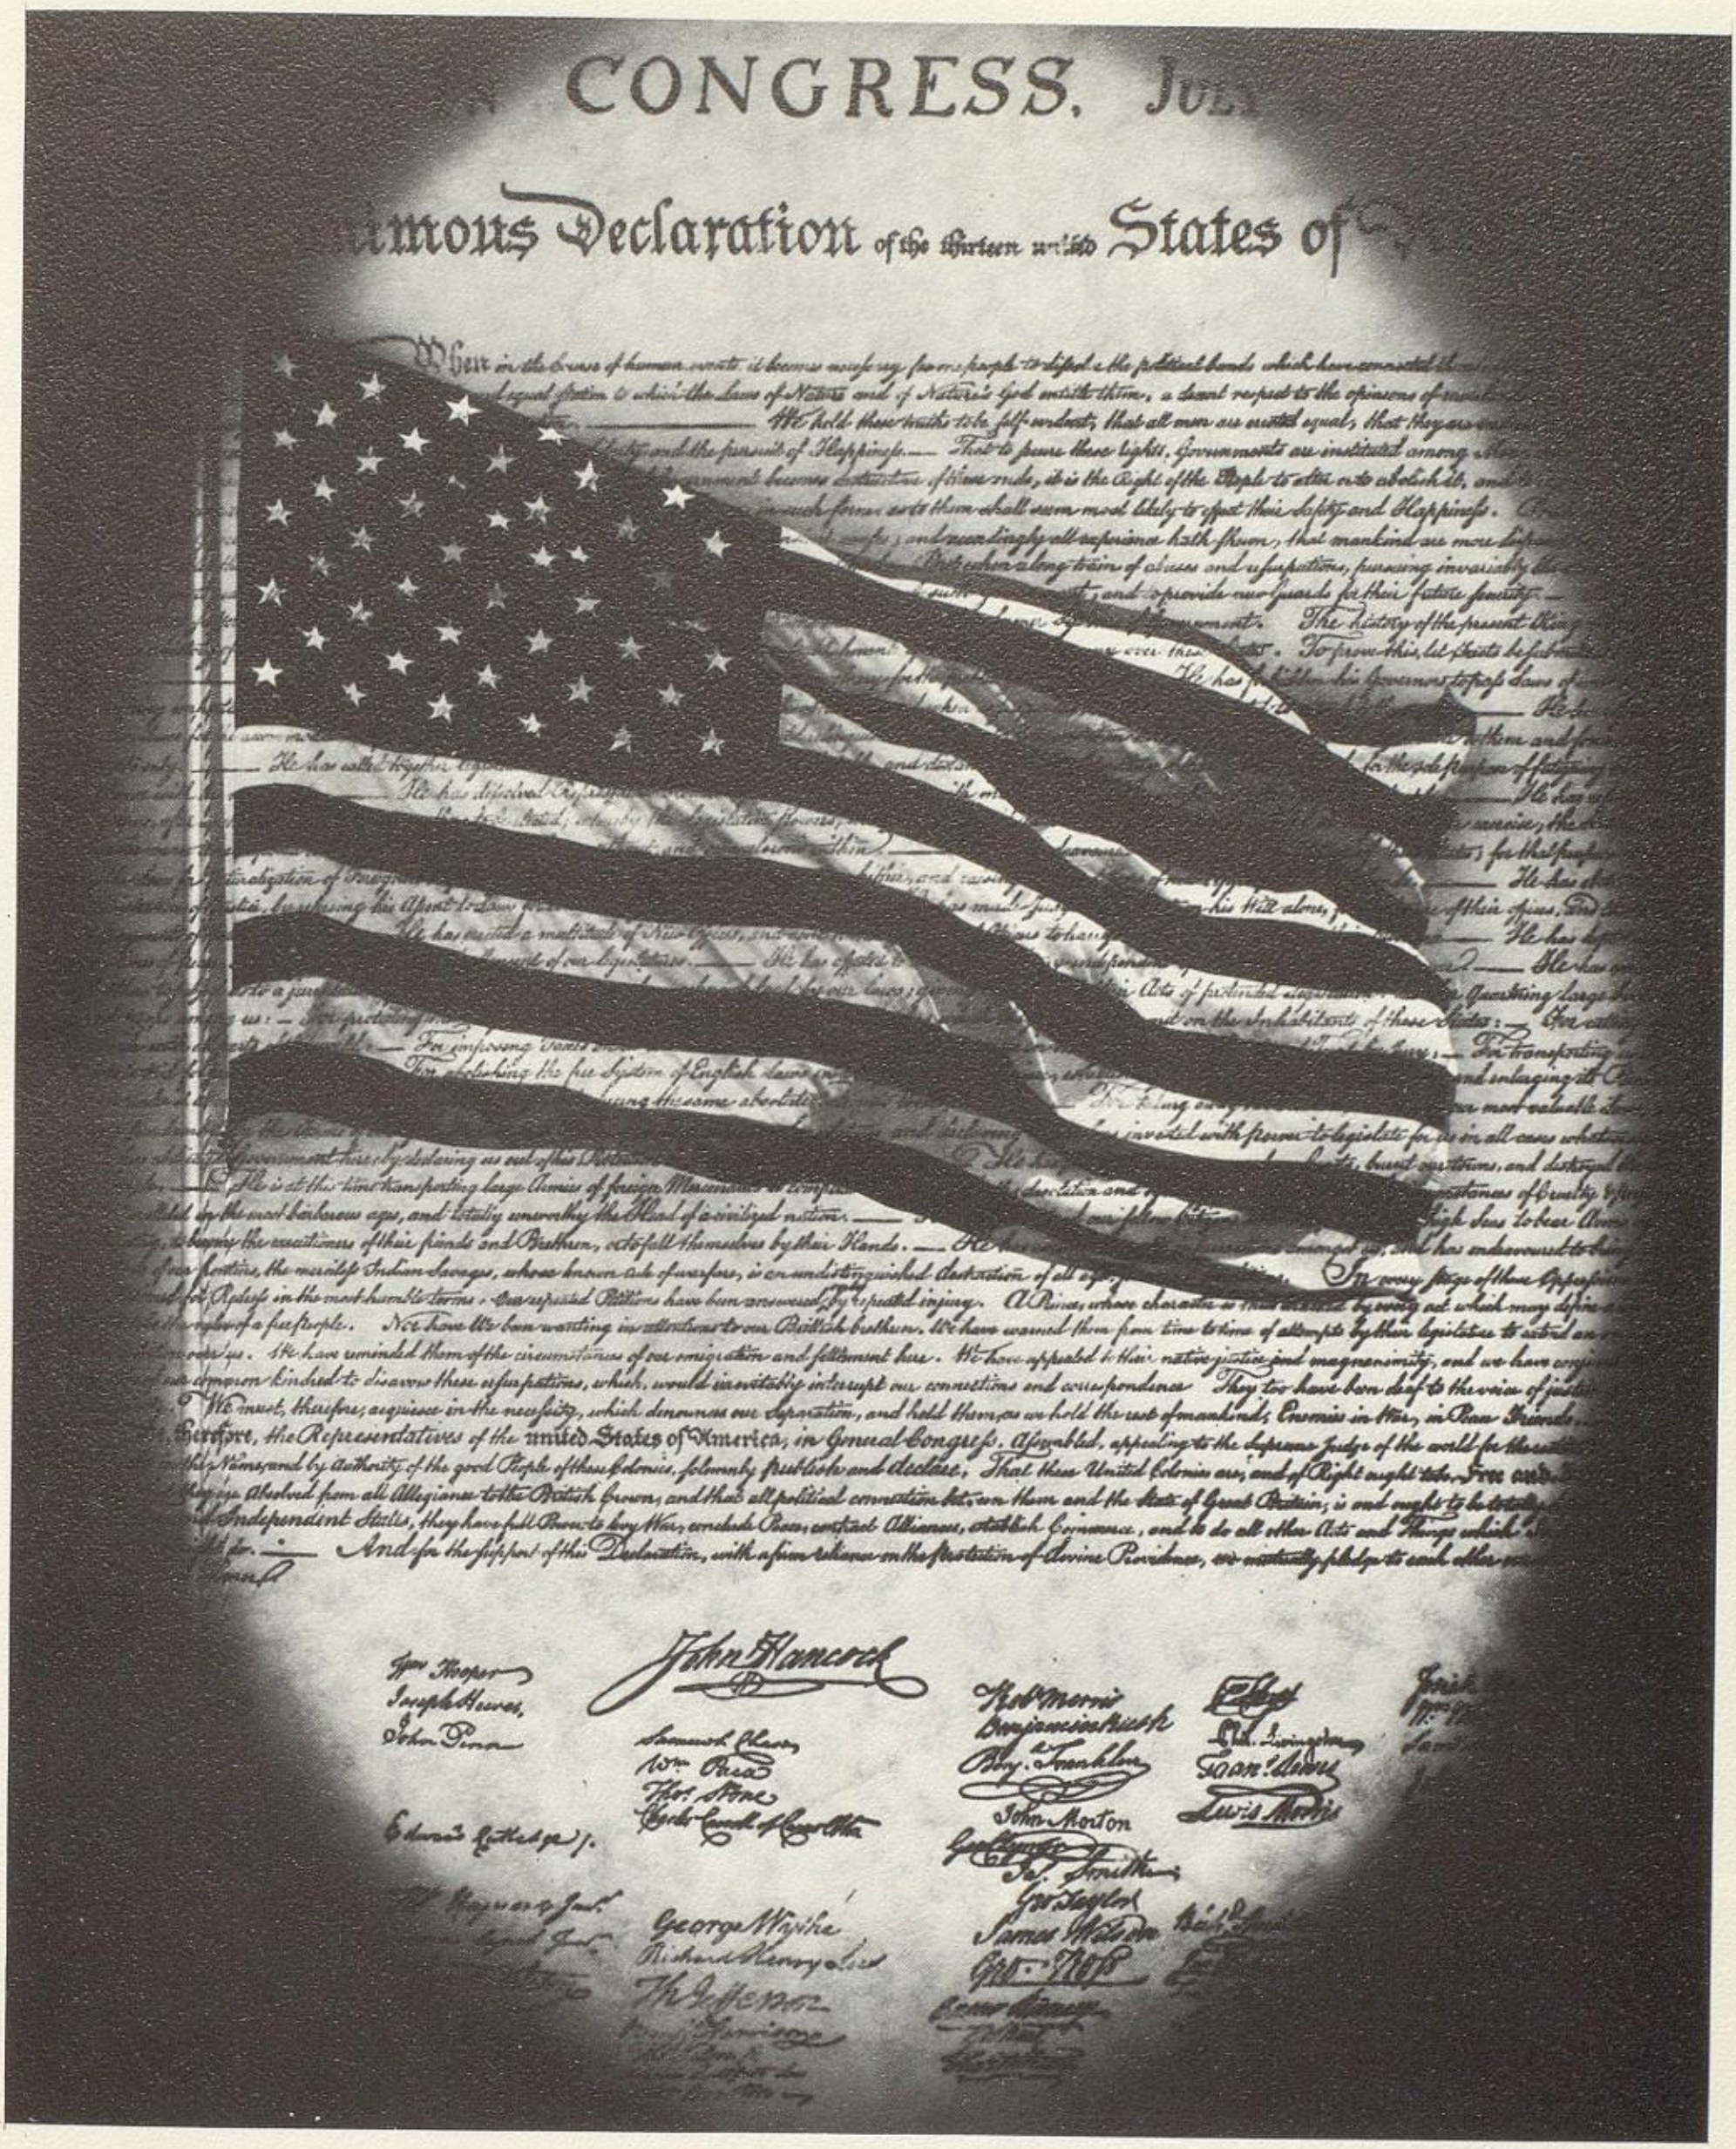
Editors

Typists

Getting out a yearbook takes a lot of planning, time, and work but it is also a lot of fun, eh, girls?

All of us!

"Pasters"



CONGRESS.
mous Declaration of the thirteen united States of
We hold these truths to be self-evident, that all men are created equal, that they are
and the pursuit of Happiness.— That to secure these rights, Governments are instituted among
becomes destructive of these ends, it is the Right of the People to alter or to abolish it,
He has
He has
He has

I HEAR AMERICA SINGING

Walt Whitman

I hear America singing, the varied carols I hear,
Those of mechanics, each one singing his as it should be blithe and strong,
The carpenter singing his as he measures his plank or beam,
The mason singing his as he makes ready for work, or leaves off work,
The boatman singing what belongs to him in his boat, the deckhand singing on the steamboat deck,
The shoemaker singing as he sits on his bench, the hatter singing as he stands,
The wood-cutter's song, the ploughboy's on his way in the morning, or at noon intermission or at sundown,
The delicious singing of the mother, or of the young wife at work, or of the girl sewing or washing,
Each singing what belongs to him or her and to none else,
The day what belongs to the day--at night the party of young fellows, robust, friendly,
Singing with open mouths their strong melodious songs.

ADDITIONAL FACULTY DATA

(no pictures available)

Christine Carskadon began the 1967-68 school year as Senior High English teacher. She returned to college at Mid-term and Donna Clingman, who had just received a B.S. degree in English from the Kirksville State College, was hired as English teacher.

Dan G. Rucicil, Math instructor, received a B.S. degree from the Missouri State College, and had taught at Green City before coming to the Canton School system.

Larry McDaniel, instructor in Junior High Social Studies, received a B.S. degree at the Northwest Missouri State College at Maryville. This is his first year of teaching.

Kindergarten classes opened in theCanton R-V district in January of this year. Two sessions are being held--one in the morning and one in the afternoon. The Kindergarten staff includes Mrs. Marjorie Tower, Mrs. Enid Olson, and Mrs. Jo Ellen Dollinger.

During the second semester, a reading program was initiated with Bertie Nickerson as instructor and Myrna Boltz, a former Canton Alum, and a graduate of the Kirksville State College, as assistant.

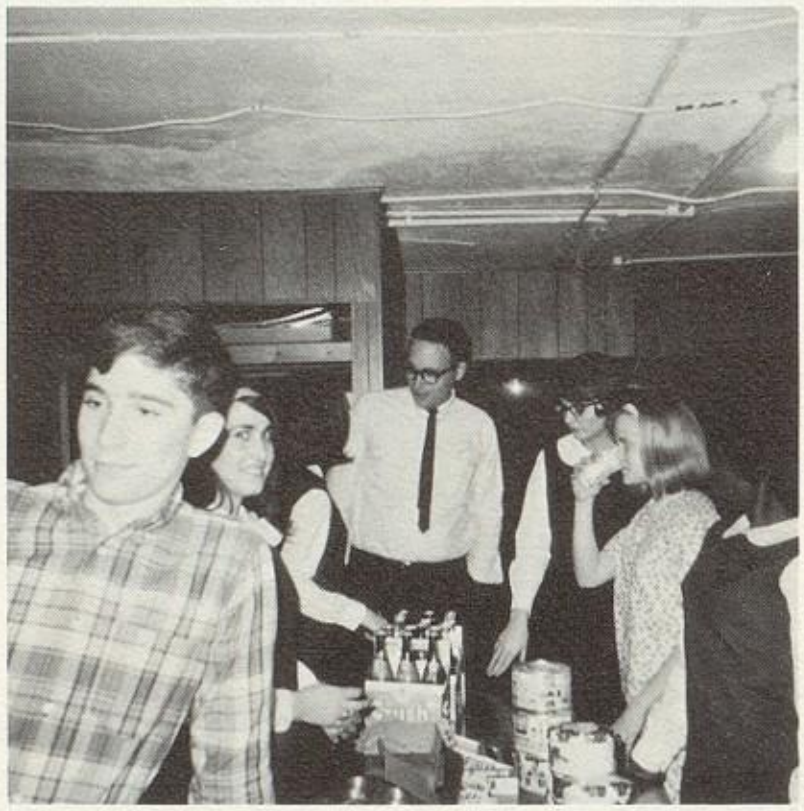
FACULTY FUN

Aunt Flabby (Mr. Hodges) "wows" the audience with "sage" advice in answer to letters from unhappy or puzzled students.

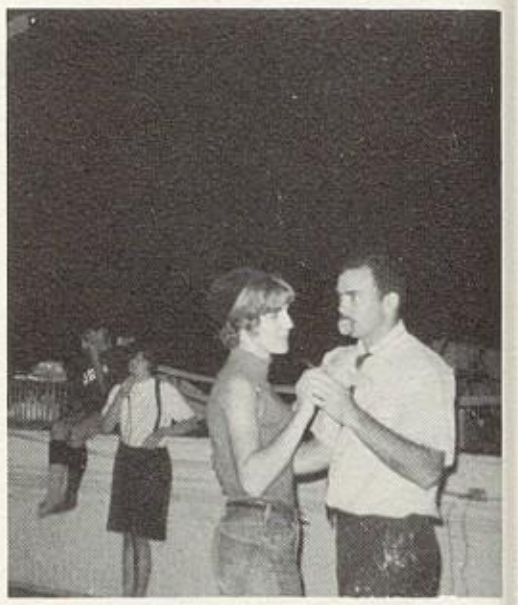
It's a faculty line-up: The Allans, Mrs. Corley and Mrs. Berry

Santa Claus could not make it to CHS this time, so a hilarious ELPHIE, (Miss DeLaney) "covered" for him, read letters from CHS students, and distributed gifts.

SMILE! Mr. Berry, you are on CANDID CAMERA!



Now, Mr. Rogers, don't try to get the Seniors to cut prices. You know they are trying to get to Daytona!



"Hill-Billy" Corley at the Hobo party

Mr. Freeman, are you misbehaving AGAIN?????????

"The coaches": It's a split level program, huh?

The nucleus of any organization is the group that serves as a steering or working committee--in other words, the officers of the group.

The editorial committee decided to give special recognition to these people by listing their names on a special page of the '68 yearbook.

STUDENT COUNCIL

The Student Council has been a very active organization during 1967-68 as it has always been in the past. It started out with four new officers elected by the student body. With a new handbook and revised constitution the twenty members created a very active Student Council.

To start off the year's activities, the Student Council sponsored a Hobo Dance in September later followed by such activities as a Canned Food Drive and the biggest event of the year, Homecoming.

In the Spring the Council sponsored a Twirp Week followed, at the end of the week, by a Sadie Hawkins Dance. The Council has also sponsored a Variety Show to make money for a school sign. Mainly the Spring has been devoted to the Council's working on the 1968-69 Fall workshops which will be held at Canton. This is a big event for the school.

The members of the Student Council were very fortunate to attend workshops during the year. These workshops better the members as well as the Council itself.

The 1967-68 Student Council has been a hard-working organization and has accomplished much to better the school and make it a more enjoyable place for the students.

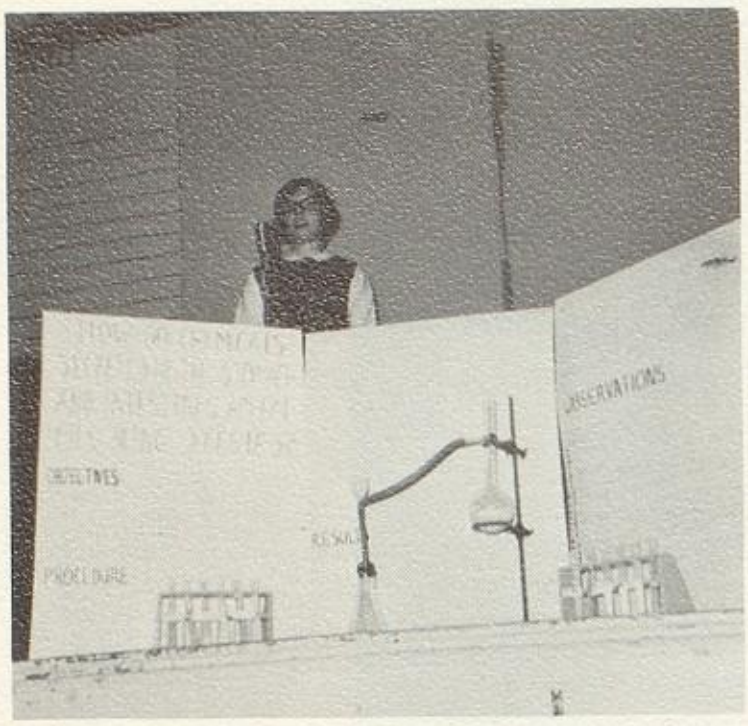
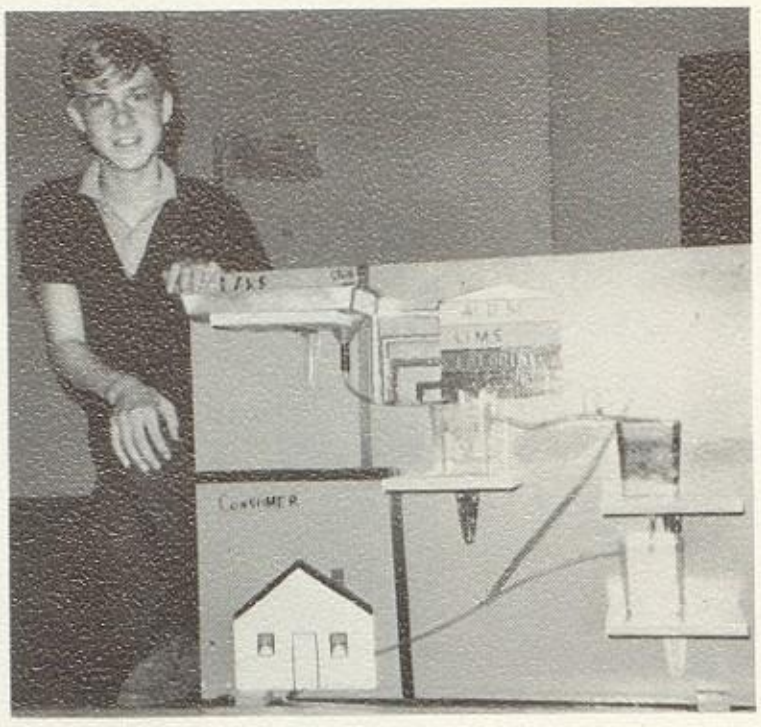
QUEEN MARY LYNN

The Key Club, under the sponsorship of Mr. Cottrell, sprang into action the second semester. One of the outstanding events was the APRIL SHOWERS dance. The queen elected to reign over the dance was Mary Lynn Todd.

COMPLIMENTS OF ROGERS & SON CONCO
AND OZARK NATIONAL LIFE INS. CO.

THE FIRST ANNUAL SCIENCE FAIR OF C.H.S. '68

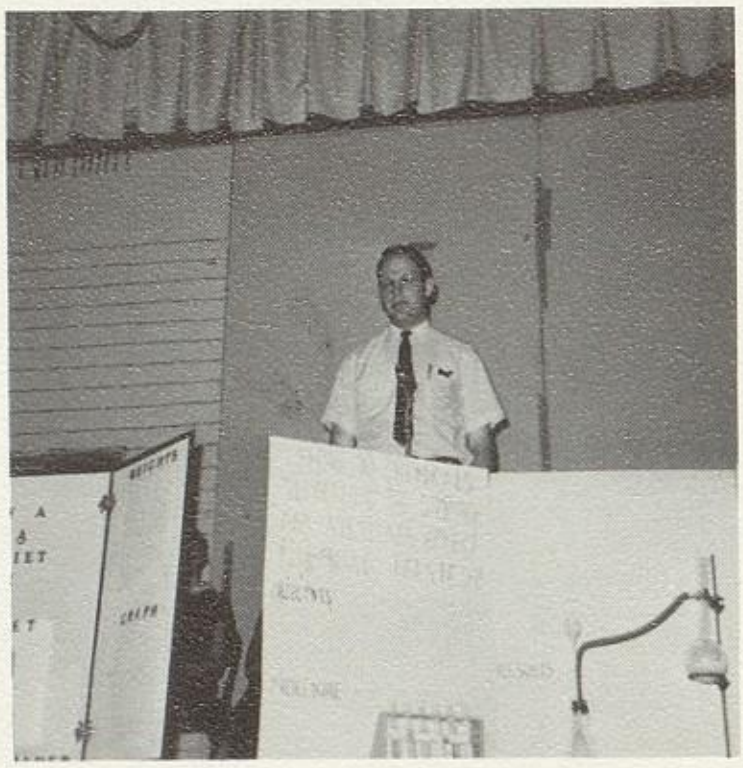




The First Place Winner in the Biology Division was Patty Cartwright for her project on the diges--of food in the stomach

Second Place Winner in the Biology Division was Marsha Clark for her project on the Physiology of Ciliary action of the chicken trachea.

Bruce Emery was second place winner in the physical science division with his project on the period of a pendulum. Third place in the physical science division went to Roger Ellison for his project on the constant acceleration in two-dimensional motion.

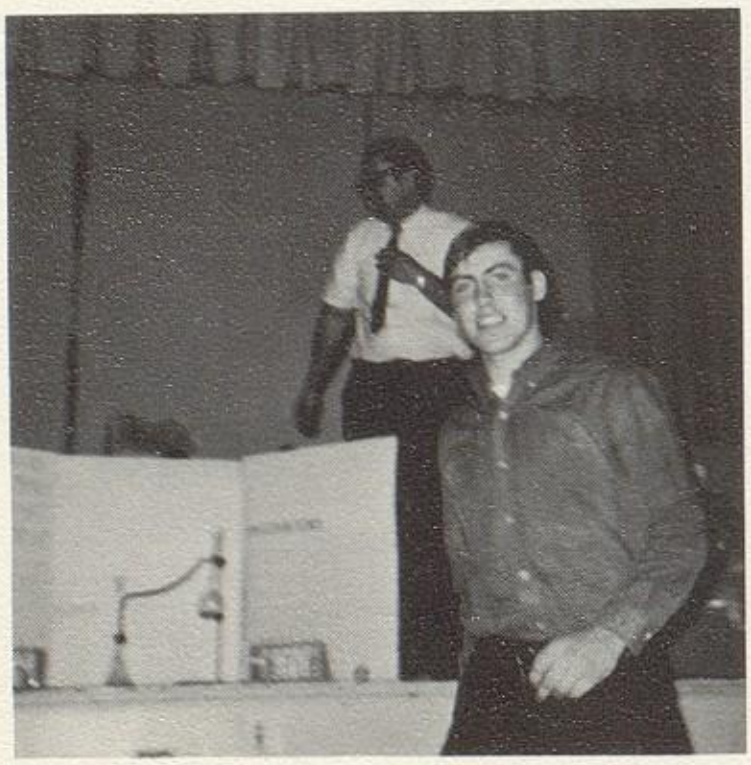


Second place in the Junior High Division was Glen Dorris with his project on water purification. He also won third place in the earth and science division at the regional science fair at Hannibal.

The first place winners in the Junior High Division were Anne Glasgow and Nancy Morris for their project on Stroboscopic motion.

Third place went to Jerry Stephens for his project on the structure of the heart.

This Science Fair couldn't have been such a success without the help of those scientific masterminds, Mr. Hodges and Mr. Rogers.



Proud receiver of first place in the physical science division was Mike Whiston with his Anti-Smog Device.

Third place winner in the biology division was Jan Bader for her project on the effects of a Vitamin A Deficient Diet on Mice.
